

Health Care Careers Exploration Patch Award Form

Dear Youth Group Leader:

Thank you for investing your time in the youth of our communities and expanding their career horizons. The goal of the Health Care Careers Exploration Patch program is to expose young people to the variety of career opportunities available in the health care profession. Activities focus on exploring the need, the many roles, the education requirements and the resources available for those wishing to pursue careers in health care, as well as providing general health and wellness information.

The Health Care Careers Exploration Patch Award requires completion of four (age 5-8) or six (age 9-17) of the recommended activities. As your youth complete the requirements, please write their names and ages below.

<i>Name</i>	<i>Age</i>	<i>Name</i>	<i>Age</i>
